

## Nice To Luv You

Intro            4 Bars Bass only playing            A     G     D     C  
                      8 Bars Guitar and Drums in        A     G     D     C

Verse 1        A        G        D        C

I've seen it before    same way  
I can't understand it what you give away  
And I search around what you're looking for  
Get a walk get a walk get a walk got to stop the trouble

Chorus        A        G        D        C

Nice to love you baby  
With all my heart and soul  
Nice to love you baby  
No matter where I go

Pre Verse            A        B        C        D                    x4

Verse 2        A        G        D        C

Bout the time before when you were messed up  
And I turn the lights out and I search about  
Yeah it was in the shower that I found a flower  
Hip hop doo wop got to rock this difference in

Chorus        A        G        D        C

Nice to love you baby  
With all my heart and soul  
Nice to love you baby  
No matter where I go

Pre Verse            A        B        C        D                    x4

Verse 3        A        G        D        C                    x4     Guitars drop out!!

Fire in the night  
Sky is bright  
And there's no fear  
What a feeling here

Alt Chorus    A        B        C        D

Nice to love you baby  
With all my heart and soul  
Nice to love you baby  
No matter where I go

Nice to love you baby  
With all my heart and soul  
Nice to love you baby  
No matter where I go

\*\*Will add a Guitar Solo for 8 Bars

End Chorus    A        G        D        C

Nice to love you baby  
With all my heart and soul  
Nice to love you baby  
No matter where I go I go I go

End            A        G        D        C            x4    Hold on C Last Time
