

## Fly At Night

Intro:           D                   G                   Em                   C           play twice

D                   G                   Em                   C  
Four men in a rock 'n roll band   Fly at night in the morning we land  
Fly at night 'til we're satisfied   See the morning from the other side

C                   G                   C                   G  
And when you close your eyes   sleep comes fast

C                   G                   D                   Am  
When you fly the universe       Well you need some rest

D                   Am  
Yeah you need some rest

D       for 4 bars

D                   G                   Em                   C  
Ooh we like the big wide spaces   Yeah we like a sea of faces  
Time is just a rubber band       Time is at our command

C                   G                   C                   G  
And when we look out       and see you there

C                   G                   D   Am                   D                   Am  
You seem much closer       and you feel so near       Yeah you feel so near

G       strum for 4 bars to keep it simple

Am   G    D  
Ahh   Ahh   Ahhhhh  
Ahh   Ahh   Ahhhhh

Am                   G                   D  
Well we fly by night it's like a rocket flight and baby that's just what its for  
Yeah we fly by night it makes you feel alright you keep coming back for more

Guitar solo 24 bars of       Am   G    D

D    G    Em   C                   x2

D                   G                   Em                   C  
Four men in a rock 'n roll band   Fly at night in the morning we land  
Fly at night 'til we're satisfied   See the morning from the other side

D    G    Em   C                   x2
