They all need you, to make love to
When you awake, you find them on the bed, lyin' beside you
They all love you, you're a good girl
And I ain't surprised, when you realize, just where you're goin' to

You could have been alright, you could have been here tonight
You could have been sweet as wine, you could have been a lady
It could have been alright, you could have been here tonight
Could have been sweet as wine, you could have been a lady

If I told you, where you're goin' to
You'd laugh in my face, say I'm out of place, mind your business
And they all want you, to make love to
It's a shame, the fate of the game, the way it delights you

You could have been alright, you could have been here tonight
You could have been sweet as wine, you could have been a lady
It could have been alright, it could have been here tonight
Could have been sweet as wine, you could have been a lady
